2. DEFINITIONS

In these Rules, "Microsoft", "we", "our", and "us" refer to Sponsor and “you” and "yourself" refers to a Contest participant, or the parent/legal guardian of any Contest entrant who has not reached the age of majority to contractually obligate themselves in their legal place of residence. By entering you (your parent/legal guardian if you are not the age of majority in your legal place of residence) agree to be bound by these Rules.

3. ENTRY PERIOD

5. HOW TO ENTER

To create an entry, you must create a Power BI report of educational value to middle school and high school curriculum. The report needs to contain data that can be shared publicly. It is highly recommended that entries include a reference page to any data used so that educators can easily validate sources. To submit an entry, visit the Contest website at
http://community.powerbi.com/t5/Data-StoriesGallery/bd-p/DataStoriesGallery and upload the report to the Data Stories Gallery with the category “Education” and tag “Back to School”

The entry limit is one per person overall. We are not responsible for excess, lost, late, or incomplete entries. If disputed, entries will be deemed submitted by the authorized account holder of the email address, social media account, or other method used to enter. The “authorized account holder” is the natural person assigned to an email address by an internet or online service provider, or other organization responsible for assigning email addresses.

6. ELIGIBLE ENTRY

To be eligible, an entry must meet the following content/technical requirements:

• Your entry must be your own original work; and

• Your entry cannot have been selected as a winner in any other contest; and

• You must have obtained any and all consents, approvals, or licenses required for you to submit your entry; and

• To the extent that entry requires the submission of user-generated contest such as software, photos, videos, music, artwork, essays, etc., entrants warrant that their entry is their original work, has not been copied from others without permission or apparent rights, and does not violate the privacy, intellectual property rights, or other rights of any other person or entity. You may include Microsoft trademarks, logos, and designs, for which Microsoft grants you a limited license to use for the sole purposes of submitting an entry into this Contest; and

• Your entry may NOT contain, as determined by us in our sole and absolute discretion, any content that is obscene or offensive, violent, defamatory, disparaging or illegal, or that promotes alcohol, illegal drugs, tobacco or a particular political agenda, or that communicates messages that may reflect negatively on the goodwill of Microsoft.

7. USE OF ENTRIES

We are not claiming ownership rights to your Submission. However, by submitting an entry, you grant us an irrevocable, royalty-free, worldwide right and license to use, review, assess, test and otherwise analyze your entry and all its content in connection with this Contest and use your entry in any media whatsoever now known or later invented for any non-commercial or commercial purpose, including, but not limited to, the marketing, sale or promotion of Microsoft products or services, without further permission from you. Your entry may be posted on a public website. We are not responsible for any unauthorized use of your
entry by visitors to this website. We are not obligated to use your entry for any purpose, even if it has
been selected as a winning entry.

8. WINNER SELECTION AND NOTIFICATION

Winners will be determined as follows:

Public Voting: Throughout the Entry Period, entries will open to public voting on the contest website:
http://community.powerbi.com/t5/Data-Stories-Gallery/bd-p/DataStoriesGallery. During the entry
period, users can vote for their favorite entry by using the “like” function. Users may vote
for more than one entry. The sum total of likes per entry will be weighted and added to final score.

Judging: A panel of judges will review all entries and will select winners based on the following criteria:

• 25% - Educational value
• 25% - Subject Originality
• 25% - Visual Presentation
• 25% - Good Use of Power BI
• Sum total of “likes” per entry, weighted and added to the final score

Winners will be selected from among all eligible entries received within 14 days following the Entry
Period.

In the event of a tie between any eligible entries, an additional judge will break the tie based on the
judging criteria described above. The decisions of the judges are final and binding. If we do not receive a
sufficient number of entries meeting the entry requirements, we may, at our discretion, select fewer
winners. If public vote determines winners, it is prohibited for any person to obtain votes by any
fraudulent or inappropriate means, including offering rewards or other inducements in exchange for
votes, automated programs or fraudulent ID’s. Microsoft will void any questionable votes. In its sole
discretion, Sponsor reserves the right to select an alternate winner should the voting appear to have
been tampered with or manipulated in any way. Any attempt by any voter to obtain more than the
stated number of votes by using multiple/different email addresses, identities, registrations and logins,
or any other methods will void that voter's votes and that voter may be disqualified. Use of any
automated program to vote will result in disqualification.

Winners will be notified via the contact information provided during entry no more than 14 days
following the contest end date. Winners reports will be featured in Power BI Blog. There are no other
prizes associated with this Contest other than recognition of achievement. If a selected winner cannot
be contacted, is ineligible, then an alternate winner will be selected, time allowing. If you are a potential winner and you are 18 or older, but have not reached the age of majority in your legal place of residence, we may require your parent/legal guardian to sign all required forms on your behalf. Only three alternate winners will be selected, after which unclaimed prizes will remain unawarded.

9. ODDS

The odds of winning are based on the number of eligible entries received.

10. GENERAL CONDITIONS AND RELEASE OF LIABILITY

To the extent allowed by law, by entering you agree to release and hold harmless Microsoft and its respective parents, partners, subsidiaries, affiliates, employees and agents from any and all liability or any injury, loss or damage of any kind arising in connection with this Contest.

All local laws apply. The decisions of Microsoft are final and binding.

We reserve the right to cancel, change or suspend this Contest for any reason, including cheating, technology failure, catastrophe, war or any other unforeseen or unexpected event that affects the integrity of this Contest, whether human or mechanical. If the integrity of the Contest cannot be restored, we may select winners from among all eligible entries received before we had to cancel, change or suspend the Contest. Rules violators will be prosecuted to the full extent of the law and may be banned from participation in Microsoft Contest.
